SUBJECT

This action is to ratify changes in work and accept the completed public works construction contract for 4th Street Pedestrian Overcrossing at Alhambra High School in the City of Alhambra.

IT IS RECOMMENDED THAT YOUR BOARD:

Ratify changes in work and accept completed contract work for Project ID No. RDC0011134 - 4th Street Pedestrian Overcrossing at Alhambra High School, to seismically strengthen a bridge, in the City of Alhambra, performed by Abbott Contracting & Engineering, Inc., with changes amounting to a credit of \$1,400, and a final contract amount of \$251,508.05.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain the County of Los Angeles Board of Supervisors' (Board) ratification of Director of Public Works-approved changes in a public works contract and your Board's acceptance of the work of the contract in compliance with the provisions of the California Public Contract Code. Included in the enclosure are project and contract data, the scope of work changes to be ratified, and the work of the contract to be accepted.

The Director of Public Works or her designee has been authorized by your Board to order changes in work up to \$10,000 for construction contracts. Changes to accommodate field conditions in order to meet the intent of the plans and specifications are not subject to this monetary limitation. Enclosed for your ratification are changes in work, which the Director of Public Works or her designee ordered for this project.

The project has been completed, and it is recommended that your Board accept it on the date indicated in the enclosure.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). Acceptance of this contract completes the work to improve infrastructure and enhance the quality of life in the affected communities.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. Sufficient funds are available in the Board-approved appropriations for this project to cover the cost of the changes, and the total value of the contract.

A detailed cost breakdown for the changes, together with a contract cost summary, is included in the enclosure.

The modification to the contract amount is a credit of \$1,400, while the final value of the contract is \$251,508.05.

Ratification of the changes in work and acceptance of the work of this contract by your Board is in compliance with the acceptance and prompt payment provisions of the California Public Contract Code.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This contract for the construction of public works improvements was awarded by your Board to a responsible contractor with the lowest responsive bid in accordance with the California Public Contract Code, your Board's directives, and as recommended by the Director of Public Works or her designee.

ENVIRONMENTAL DOCUMENTATION

The changes in the work as described above and in the enclosure are within the limits of the Board-approved projects and do not change any conditions which resulted in the original environmental findings.

CONTRACTING PROCESS

The contract provided that the contractor be compensated for changes in the work as a result of changes to the original plans and specifications or changed conditions encountered during the course of construction. The costs of these changes were based on contract unit prices, time and materials methods, or were negotiated under the provisions of the contract specifications. The methods for arriving at the final costs of the changes are included in the enclosure.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Ratification of the requested changes and acceptance of the work of the contract by your Board will ensure the timely closeout of the contract, releasing Departmental and County assets for other construction-related activities.

PROJECT ID NO. RDC0011134 - 4TH STREET PEDESTRIAN OVERCROSSING AT ALHAMBRA HIGH SCHOOL (in the City of Alhambra), Supervisorial District 5

Contractor: Abbott Contracting & Engineering, Inc., P.O. Box 5535, Norco, California 92860

Project Description:

Seismic strengthening of an existing bridge.

Project Completion Date:

The contractor completed the project on June 1, 2009, in accordance with the plans and specifications. The delay in forwarding this letter to your Board was due to the length of time required by the contractor to furnish the documentation necessary to close out the contract.

The original contract amount is based upon estimated quantities of the various bid items. The contractor is paid based upon actual bid quantities used. The decrease in contract price reflects the net adjustment due to variations between estimated bid quantities and actual quantities. The change resulted in a credit to the contract in the amount of \$1,400.

Final Contract Amount:

Original contract amount	\$245,097.00
Actual costs of changes in work previously approved by your Board	7,811.05
Changes in work authorized by the Director of Public Works	<u>(1,400.00)</u>
